Summary

Full-Stack Developer with 2+ years of experience building scalable web applications using React, Node.js, and Spring Boot. Strong background in API development, performance optimization, CI/CD integration, and code quality enforcement. Delivered production-ready features and mentored peers in fast-paced, agile environments.

Experience

iSchoolConnect – Fullstack Intern
Noida, India

Feb 2025 – Present

- Developed RESTful microservices using NestJS and Spring Boot for a platform with 10K+ users.
- Optimized API performance by 30% through SQL query tuning and middleware refinement.
- Implemented JWT-based authentication and integrated GitHub Actions for CI/CD automation.
- Participated in agile ceremonies and resolved issues to meet sprint timelines.

BigOhTech – React Trainee
Delhi, India

Jul 2024 – Sep 2024

- Created reusable and modular UI components using Next.js and atomic design principles.
- Enhanced application load speed by 40% through code splitting and lazy loading.
- Reviewed 25+ pull requests, ensuring adherence to accessibility and responsiveness standards.

Projects

QuizMe – Quiz Platform

GitHub

- Built with TypeScript and Vite, reducing initial load time by 60% compared to CRA.
- Developed scoring logic, timed quizzes, and feedback modules supporting 50+ users.
- Used GitHub Projects and Issues to coordinate team contributions and track progress.

SkyCast – Weather App

GitHub

- Integrated OpenWeatherMap API using Axios with sub-500ms average response times.
- Added location fallback and city-based search for 100+ supported cities.
- Achieved 95%+ Lighthouse score across performance, accessibility, and SEO.

MusicMate – Music UI

GitHub

- Used Apple Music API to stream track previews and enable dynamic song search.
- Reduced component re-renders by 40% using memoization and dynamic imports.

DinoRunner – JS Game

GitHub

- Built infinite runner with HTML5 Canvas and optimized for 60 FPS gameplay.
- Designed scoring system, collision detection, and bundled under 2MB.

Education

Maharaja Surajmal Institute of Technology, Delhi
B.Tech – Computer Science and Engineering
CGPA: 8.94 / 10

2020 – 2024

Leadership & Volunteering

E-Summit Tech Volunteer, MSIT

Mar 2023

- Led AV operations for 500+ attendees and coordinated support across 3 venues.
- Ensured real-time resolution of technical issues and smooth event execution.
