Summary

Full-Stack Developer with experience in delivering scalable web solutions using React, Node.js, and Spring Boot. Proven impact on system performance (40%+ gains), modular codebases, and secure APIs. Fast learner, sprint reliable, and focused on clean architecture and dev efficiency.

Experience

iSchoolConnect – Fullstack Development Intern
Noida, India

Feb 2025 – Present

- Built cloud-native microservices using NestJS and Spring Boot for 10k+ users.
- Cut API response time by 30% via query tuning and middleware optimizations.
- Integrated JWT-based RBAC authentication and CI pipelines with GitHub Actions.

BigOhTech – React Graduate Engineer Trainee
Delhi, India

Jul 2024 – Sep 2024

- Created reusable, responsive components in Next.js using atomic design.
- Improved app performance by 40% with lazy loading and code splitting.
- Conducted 25+ code reviews focusing on accessibility and SEO.

Projects

QuizMe – Scalable Quiz Platform

GitHub

- Built with TypeScript and Vite, reducing initial load time by 60% vs. Create React App.
- Designed quiz flow logic using custom React hooks with <100ms user response latency.
- Integrated scoring, feedback, and countdown features supporting 50+ concurrent users.

SkyCast – Real-Time Weather App

GitHub

- Fetched weather data from OpenWeatherMap API with 500ms avg response time.
- Integrated geolocation fallback and search-based access for 100+ cities.
- Achieved 95% Lighthouse performance score across mobile and desktop.

MusicMate – Music Exploration UI

GitHub

- Implemented audio previews, search, and filters for 200+ song tracks using Apple Music API.
- Reduced DOM re-renders by 40% with optimized component structure and lazy loading.
- Delivered full responsive design with <2s total load time on 3G networks.

DinoRunner – Responsive Web Game

GitHub

- Created game loop with 60 FPS using ‘requestAnimationFrame’ and collision tracking.
- Added difficulty curve and scoring logic to support 1K+ play sessions without issues.
- Achieved consistent gameplay under 2MB bundle size and 0 errors on console logs.

Education

Maharaja Surajmal Institute of Technology, Delhi

B.Tech – Computer Science and Engineering

CGPA: 8.94

2020 – 2024
